

MATTHEW SHEEHY

Summary of Experience and Qualifications

Education

High School Graduate - 1996

University of Alaska Southeast - 1996-1997

Portland Community College – Environmental Science Studies – 1999-2001

Experience

Three years of experience in conducting multi-resource inventories on forest lands. Positions held include the following:

Forestry Technician - Northwest Forestry Services, Tigard, Oregon (July, 2005 to present, October, 1998 to May, 1999) - Inventory timber and other resources on public and private lands.

Inventory Forester - Maurice Williamson Consulting Forestry, Colville, Washington (May to August, 1998) - Inventoried timber and other resources on Washington Department of Natural Resources' North Loop Loop project.

Inventory Forester - Pacific Forest Consultants, Newberg, Oregon (June to October, 1997) - Worked as a subcontractor on the Boise National Forest. Data were collected on timber, ground vegetation, habitat types, soils, topography, and other site characteristics.

Other positions include substitute teacher, cameraman, cook, and tour guide.
