

## KEVIN YOUNG

### *Summary of Experience and Qualifications*

#### Education

Bachelor of Science in Forestry - Humboldt State University (1983)

#### Experience

More than 20 years experience in a wide variety of forestry activities, including timber cruising, stand examinations, timber marking, sale layout, reforestation, and field crew supervision. Positions held include the following:

Forester - Northwest Forestry Services, Tigard, Oregon (September, 1997 to present) - Conduct inventory and timber sale cruises. Supervise logging, reforestation, and other contractors. Assist with appraisals.

Consulting Forester - Progressive Forestry Services, Beaverton, Oregon (August, 1993 to August, 1997) - Owner/operator of forestry consulting company. Services included inventory and timber sale cruising. Responsible for crew organization and supervision.

Timber Cruiser - Pacific Forest Consultants, Newberg, Oregon (May, 1989 to August, 1993) - Conducted inventory and timber sale cruises.

Forestry Technician in Silviculture - Boise National Forest, Mountain Home, Idaho (August, 1986 to November, 1988) - Supervised tree planting and pre-commercial thinning crews. Coordinated work of three silviculture field crews. Planned and supervised stand examinations. Selected trees for cone harvest.

Forestry Technician in Sales Preparation - Boise National Forest, Mountain Home, Idaho (July, 1983 to October, 1983) - Duties included layout, cruising, and marking of timber sale units.

Other related experience includes tree planting and pre-commercial thinning.
